

Public Session to discuss

Dissertation/Professional Project/Professional Internship

for obtaining the degree of Master of Science in Marketing

EDITAL

In accordance with the provisions of article 41 of the regulations for master's degree courses, in force, of the Portuguese Institute of Marketing Administration of Lisboa, the final work of a master's degree course may consist of a scientific dissertation, a project work or an internship report. According to the provisions of article 23 published in Decree Law No. 74/2006, of 24 March, in force "The degree of master is conferred to those who, having passed all the curricular units that integrate the study plan of the master's course and having been approved in the public act of defense of the dissertation, the project work or the internship report, have obtained the established number of credits.

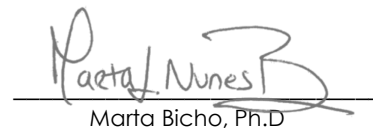

Thus and so that the student can complete the Master in Marketing, the Direction of IPAM Lisboa informs that on 08/11/2023 the following public examinations will take place:
